## Taking the Name of Jesus to the DOMINICAN REPUBLIC

JUNE/JULY 2016

Dear Praying Friends,

### Prayer Requests

Barney is a man that I have worked with and witnessed to for the last 6 years. Recently he has initiated several conversations about what I believe. Please pray for his Salvation.

Please also keep Mary Johnston and her family in prayer at the home-going of her true love, Bro. Bob Johnston. The Johnstons have served God as missionaries in Haiti and the Dominican Republic for almost three decades and made an inexpressible impact in our lives.

### BBFI Candidate School

We spent the second week of July absorbing a myriad of helpful information, as well as enjoying the fellowship of the BBFI mission office team and our fellow missionaries. Two characteristics of the Mission Office have really impressed us: Competence & Care. Both of these were overwhelmingly evident again during Candidate School.

### Update on Ezra James

We are having to go to the doctor twice a week now for non-stress tests and ultrasounds. They say Ezra is small, but thankfully still growing well. We did get some good news, Praise the Lord! Ezra's bowel is not as dilated as previously seen on the ultrasounds. Our **God is able** and willing to answer our specific, personal prayers! We travel to St. Louis on the 16<sup>th</sup> of August to meet some of the doctors that will be doing

### PLEASE PRAY WITH US:

- For a healthy pregnancy and baby Ezra
- For God's protection and provision as we travel
- That God would already be softening the hearts of those we will meet in the D.R.
- For our partnering Churches & the BBFI
- For our lost family members
- For witnessing opportunities as we are on the road

Ezra's surgery. We have less than 4 weeks until Teah has to be induced!

### Yet Another Answered Prayer

We didn't mention it in our last letter, but a couple months ago we realized our need for a four door vehicle so we could safely get Ezra in and out of his rear-facing car seat. We began to hunt and pray, and God gave us the means to purchase a "new to us" minivan!!!

God has provided us the finances to get our website up and running. Check it out!

### Words of Encouragement

I recently heard a message from John 11:37-44, "Stone of Unbelief." It impacted me greatly. Martha's first reaction to Jesus telling them to move the stone was that Lazarus had started to stink. They did not remove the stone until Jesus rebuked her unbelief. If we want to see revival in our land we have to obey His command and believe that He is able to revive. The only thing holding Him back is our unbelief in Him.

Again we want to thank those of you who are already supporting us financially, and most importantly in prayer.
