Missionaries to The Dominican Republic

Acts 4:12

March 2018

Please pray with us for:

- Everything to fall in place by June 5
- Gary's new walk with The Lord
- Ezra's Salvation at an early age

Thank you for praying

First, we want to thank all of you who have been reading our prayer letter and keeping our needs in prayer. For the last three months we've asked you to pray for my (Joshua's) dad's health. He has spent more time in the hospital and had more tests than we can recollect, but God heard our prayers and is healing my dad.

Doctors were able to find 2 ulcers and 2 hernias, and were also able to rule out much worse health issues and trace some other symptoms back to the Muscular Dystrophy he has endured most of his life. Thankfully his agonizing attacks of pain are much improved, and his ulcers are healed and hernias repaired. There is no cure for Muscular Dystrophy so we ask that you continue to pray for my dad, knowing that our Heavenly Father is listening.

Gary's Resurrection Sunday

This Resurrection Sunday was not the Sunday we planned for. We got to spend Easter at our home church, and my whole family had cooked and prepared for lunch together after services. During the Choir Cantata my dad started tremoring enough for the nurses in our church to be concerned. An ambulance was called, and I drove my mom to meet him at the Hospital. The Holy Spirit reminded me to bring

my Bible inside and I had just walked into the waiting room when I felt a hand on my shoulder. I turned to see a man with terror in his eyes as he asked if I was a preacher. This man wanted me to pray for him. I did, and then I listened to his fears and I shared the hope of the Gospel with him. I learned his name is Gary. It was evident that God was convicting him as I got to Romans 10:9&10, and he jumped up and turned around and dropped to his knees in prayer. There in the ER waiting room, on Resurrection Sunday, Gary asked God to forgive him and was born again. I was so happy to get a phone call from him yesterday. Please continue to pray for Gary, as you have a part in his new walk with The Lord.

Our flight is booked!

Well everything is becoming very real now that our flight is booked! After 2 years of deputation, Lord willing we will land in the Dominican Republic on June 5th! We are so excited to be following God where we believe He wants us. We can't wait to be a part of all the things the Lord is doing, and to learn from Wesley and Melina Lane.

We just have March and April left in the States before our first 2-year trip to our mission field. As our departure date quickly draws closer, please pray for us. Pray for our preparations to be smooth going and pray for us in the things we can't prepare for, like saying goodbye.

We are always so grateful for you,
Josh and Teah Lane
