## ¡Baloncesto! (Basketball)

Last year Pastor Wesley and I met with a local school coordinator who informed us that they had an American group wanting to do a project for a local church. After several conversations plans were made for this group to build a basketball court behind Iglesia

Bautista Agua Viva. This last month the group arrived and worked for 5 days to complete the court.

We could see the

excitement of the teens in the neighborhood as they watched the concrete get poured. They were ready to play before it was set and dry.

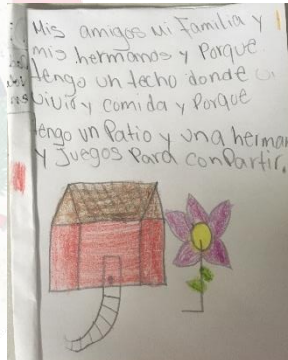

The court has already been a blessing to our teens, and we are excited to take advantage of this gift in our outreach efforts.

## La Gritud

We asked you to pray for the children's class in our last prayer letter. God answers prayers! Teah's Sunday School class attendance varies between 10 and 25 kids, and some days there are more behavior issues than others, but this last week went great and class

was very encouraging for Teah. She taught from Job about gratitude and being thankful in the difficult times. The children paid close attention and responded well. They loved working on their diaries of gratitude.

Thank you for continuing to serve the Lord in your mission field, and for your support and prayers that enable us to serve Him here in ours!
