### Parking Pad and Project Progress!

Hello dear Brothers and Sisters in Christ! We hope this month's letter finds you each well. Last month we wrote to you about our new basketball court, and what a blessing that has been! This past month and into this first week of April, we have had two more groups here volunteering their time and skills to help with a few new projects for the Dominican church plant here in Jarabacoa.

The first group worked for 3 days in the sun to pour a concrete parking pad for the front of the church. Now our church van and those with motos can easily pull in and out of the church yard. This group spent another day pouring a slab to extend a small concrete pad connected to the back of the church. There is a group here now laboring to add a roof so that this sheltered patio can be utilized as an additional outdoor classroom.

The current group is also painting our new walls and adding some designs to our children's classes. We can't wait to share pictures of all of this progress in the next letter.

### Yajhaira had her baby

Thank you for your prayers for Yajhaira. Almost 3 weeks ago she gave birth to a healthy baby boy. She has not come back to church since the delivery. It is a cultural custom in the Dominican Republic that women are not supposed to leave their home for about 40 days after giving birth, being in 'quarantine'. Please continue to pray for this young couple in their walk with the Lord, and as they raise their son.

### One More Soul!

A young man who used to come to church faithfully attended a few times in March and brought his girlfriend with him. A few Sundays ago she listened intently as Pastor Wesley preached and went forward during invitation for salvation! We praise Jesus that Mrs. Melina Lane was able to lead her to the Lord.

### 3 new visitors to Jóvenes

Each Saturday night we have youth group. In the month of March we praise the Lord for 3 new teen visitors. We are so grateful for the prayers you pray for these teenagers as most of them don't have much spiritual encouragement nor examples at home.

Thank you for continuing to serve the Lord in your mission field, and for your support and prayers that enable us to serve Him here in ours!
