Acts 4:12

November 2019

Please Pray with us for:

- Maria's continued recovery from the motorcycle accident.
- Anyibel is still in need of steady work.
- Estarling as he grows in his relationship with Jesus. (Sunday he beat us to Church)
- Upcoming Awana program (specifically that the unsaved children would accept Jesus)

Dear Pastors and family in the Lord,

This last month we were blessed in a different way. The Lord opened the door for us to receive 900 bilingual chick tracts if we would pay shipping. For just over \$100 we were able to get them into the country. Praise the Lord!!!

Teaching Them to Go

We want the teenagers of Agua Viva to be involved in the ministry as much as possible, so we set up a fun way for them to get the Gospel to THEIR community. We spent one youth night in November stuffing the tracts with a church pamphlet and discussing the importance of spreading the Gospel. The following activity we had the teenagers race against the clock (two hour time limit) to give out all 900 tracts. The only rule was they had to personally put it into someone's hand, not in doors or gates. I'm proud

to say our youth gave out all of them in just under 2 hours! We then headed to the local pizza joint to celebrate the win. It was incredible for me to walk through the barrios behind them and see hands full of the Gospel and people reading the truth. All of you reading this letter had a part in that.

We are excited to see what God does with the seeds planted this last month. We want to encourage you all to make sharing the Gospel fun! It is a joyful thing to get to share the good news. Please pray for us as we continue to visit our community every week and seek to lead others to Christ.

We hope you each had a nice Thanksgiving and we pray you have a blessed Christmas. We are preparing for a couple Christmas activities now and look forward to sharing in the next letter what God does this month in the Dominican Republic.

Your fellow-servants,
Josh and Teah
