Youth Group Update

## Answers to Prayer:

- Marilyn and Ezra are both out of the hospital and healthy again.

## Please Pray with us for:

- Earlier this month one of our faithful ladies, Maria, was hit by a motorcycle and has had a hard couple of weeks recovery.
- Anyibel, another faithful lady, is in desperate need of steady work.

My primary area of focus has shifted to a much wider lens this last month with my Uncle being on furlough. However, I am still very actively teaching and training the youth group of Iglesia Bautista Agua Viva on Saturday nights. This month we mixed it up and moved to a smaller classroom rather than sitting in the sanctuary. This has helped us have a much calmer, more attentive group of teenagers. It is neat to watch them grow and ask as well as answer questions.

Dear Pastors and family in the Lord,

This last month we are in full learning curve mode, as missionaries Wesley and Melina Lane have left the field for a much needed 6-month furlough. I am currently responsible for overseeing all the ministries here in Jarabacoa. This includes preaching and or teaching 5 times a week. It is great practice for my Spanish speaking skills. While I am not enrolled in any kind of formal classes, I have been able to pick up some Creole as well from being in contact with so many who are native speakers.

## Revival Time

This last week the Haitian congregation here in Jarabacoa had their weeklong revival meeting. We are very proud of Pastor Gary and the leadership of this local church as they planned and executed this meeting last week. Several times it was standing room only. It was a great time of worship, fellowship, and of course food (we are Baptist!) The greatest blessing is that five more souls accepted Christ as their personal Savior. Glory to God!

We've seen several more visitors this last month as Estarling is on fire for God. Pray for this young man as he grows and explores his new found relationship with God. This last Wednesday he lead the congregation in corporate prayer. It was exciting to watch as he followed the command to intercede on behalf of others.

Our plan currently is to return to the states in May of 2020 to make the transition to career missions. We are currently booking meetings for Spring of 2020 and fall of 2021 and desire to report to all of our supporting churches. I will be following up this prayer letter with a phone call in the coming weeks. Please pray with us that God would fill our schedule.

Thank you all for praying for us and supporting us!

Your fellow-servants in the DR,  
Josh and Teah
