Acts 4:12

June 2020

Please Pray with us for:

- **Salvation of our young people's families as they watch our online services**
- **The health and spiritual growth of those we minister to in the Dominican Republic**
- **God's provision as we make travel plans to transition to Career and raise more support**

Dear Pastors and family in the Lord,

We hope this letter finds you well! In the month of May we sent out a video. We hope it was a blessing to you all. If you have not seen it or have not been able to access it, please do not hesitate to let us know.

Furlough News

As churches begin to reopen, we have had several meetings that were a huge blessing to us! We are thankful for Southside Baptist Church in Kirksville, MO and their love for the Dominican people. They have been partners in ministry for several years now. We are excited to see what God has for us as we move forward with them.

We were also able to present the Lord's ministry at Bible Baptist in Marionville, MO and are excited to partner with them as we move forward!

July will be a full month of meetings so long as things continue to open up. We believe this virus is real and have a healthy respect for it as many of our friends have had it or been in quarantine due to it. We have also had some dear friends pass away as a result of it. However, we also have a desire to

continue the work the Lord has for us. Please pray with us, as well as your other missionaries, as we seek to move forward during this interesting season of life.

Field News

Please continue to pray for believers in the Dominican Republic as restrictions are eased. Most of the young men in our church have been able to return to work which is a huge blessing for them.

We have continued with online services and are incredibly pleased with the level of interaction we have received from young and new believers. We were able to do a Zoom conference with our youth and had a lot of fun playing games and learning from God's Word together. Teah has been doing a daily Bible reading schedule with several of our young ladies. They started in Genesis and are now in 1 Samuel. It is encouraging to see them studying God's Word and interacting daily.

Praises!

Many of you have been praying for Anyibel and Maria as they looked for jobs. We are excited to report that God has answered your prayers and they are now both working with Christian organizations!

Thank you for taking time to read our prayer letter. We know this is a difficult time for everyone. We are praying for you!

Your fellow-servants,

Josh and Teah
