Field News

The Dominican Government continues to implement different curfews and Covid restrictions almost weekly. However, the majority of believers in Jarabacoa remain faithful. Our teens especially have been a great example of faithfulness. Despite not being able to meet in person for almost a year, and moving the youth group meetings to the camp, most of our teens continue to gather weekly for worship and activities. Please keep praying for their spiritual growth and for the salvation of their lost family members.

The last 2 months have been blessed. God gave us the opportunity to be with 12 churches in Missouri, Pennsylvania, Maryland, Virginia, and New York. We are so grateful to those who have been praying with us for new supporters. In the last month God has added 4 new supporting churches and 3 of our faithful supporters increased support. Words cannot express our gratitude for the time you have spent interceding on our behalf.

This last month as I stood in a Chinese Restaurant in Syracuse, NY. I was reminded of what Paul said in I Corinthians 16:9, "For a great door and effectual is opened unto me..." I am always grateful for the opportunities that God gives to preach the gospel. In this moment I was humbled to have been given the opportunity by Pastor Travis Smith to share a devotion during Buckley Road Baptist Church's annual mission's banquet. The awesome surprise to me was that the banquet room was not closed off and the restaurant was also full of locals enjoying dinner after some Covid restrictions had been eased.

Not wanting to waste the opportunity I challenged the church but also preached the Gospel loud enough to be heard by those in the restaurant. I was told after that several of the Waiting Staff had recorded the sermon on their phones. Please pray that those who heard will accept the Truth that was planted. Also please pray that the videos that were recorded will go around the world. We know that God's Word does not return void. (Isaiah 55:11)

Josh and Teah
