

THE LANE FAMILY

Missionaries to The Dominican Republic

Acts 4:12

August/September 2021

Please continue in prayer with us for:

- Living Water Baptist Church in Jarabacoa
- Missionaries Wes and Melina Lane
- God's provision and guidance as we travel and seek more partners in ministry
- Salvation of our lost family members
- God to direct us to the right vehicle and home in the Dominican Republic

Dear Ministry Partners,

Thanks and praise be to God who has blessed our family with a healthy baby! Jubal was born mid-August and is doing very well now, after an initial period of jaundice and poor weight gain. Now the jaundice has faded, he is eating well and starting to chunk up. Thank you for praying for Teah and the baby! We are very grateful for how God has answered prayers.

Furlough News

Praise The Lord! Three new churches have voted to partner with us since our last letter!

During the month of August, we stayed close to Springfield. Teah had weekly doctor appointments as we awaited Jubal's arrival. During this time and the weeks following Jubal's birth, God gave me opportunities to present and preach the gospel in local meetings.

After one service, a gentleman came to the altar because he was struggling with assurance of salvation. Praise the Lord, he was

able to get that straightened out with the pastor that night.

God also gave my dad and I a unique opportunity to speak about the importance of praying for more missionaries via a Project 9:38 podcast.

Field News

I have reserved a flight in December to fly into the D.R. with our belongings to look for a vehicle and home for our family. Please pray for that trip. Lord willing, I'll be able to get those things in place during that trip and we'll be able to all return to our mission field the beginning of the year. We also appreciate your prayers now as we've begun traveling for meetings out of state again, and now with a newborn.

Many of you have messaged and asked about the earthquake in Haiti. The majority of the energy radiated west from the epicenter leaving most of the island unaffected. However, there were countless lives lost and two towns destroyed. Please pray for the Faldi Family as they minister there and help with relief aid.

Thank you for praying for the young adults of Iglesia Bautista Agua Viva in Jarabacoa. Another young couple got married and we are excitedly watching as a first generation of Christian families is beginning to take shape.

Your fellow-servants,
Josh and Teah
