Furlough News

And just like that our last road trip is over. We are so grateful to all of you who have given us the opportunity to share our hearts and preach over the last 22 months. We are grateful for all the support, both prayer and financial. We are especially grateful for the hospitality you have shown us. Without you we can not do what we do.

It is true that I had Covid again. Fortunately, Teah and the kids did not get it this time. It was not as bad as the first time, Praise the Lord! This time I only fought a fever off and on for three days instead of nine.

The beginning of February I had the privilege of being able to preach at Heartland Baptist in Ames, IA. After the service a young man accepted Jesus as his personal Savior! He immediately started sharing with others in his family what Jesus had done for him.

These past 2 months God continued to give us traveling mercies as we drove to meetings in Houston, TX; Sulfur Springs, TX; Ames, IA; Albuquerque, NM; Farmington, MO; and Springfield, MO. We praise God for His protection and your prayers on our behalf, especially in winter weather.

We look forward to finishing out furlough with a flight to Florida for one last missions conference, and fly from Florida into the Dominican Republic. We have our suitcases packed and appreciate your prayers for smooth and safe flights.

Field News

Praise the Lord, on February 16th, the Dominican Republic lifted all of its restrictions and mandates regarding Covid! This is a huge answer to prayer that many of you have prayed.

Lord willing we will arrive back in the DR in just a couple of weeks. We will hit the ground running as we will be helping with a missions team two days after we arrive. Please pray for us as we settle in and help minister as well.

There are also a lot of things in the planning stages. My Uncle and I hope to get to go back into Haiti soon and see the progress there.

Last month we were greatly encouraged by a generous gift toward the purchase of a new and much needed church van for Iglesia Bautista Agua Viva.

God is so good. We believe this will be our last stateside update. We look forward to writing you henceforth from the D.R.!

In Christ, Joshua and Teah Lane
