Dear friends and fellowlaborers,

I hope you never tire of hearing that someone has accepted Christ. I hope like David in Psalm 9, you rejoice in the salvation of Jesus Christ, the living God.

Laura's Story

You might have noticed in our last prayer letter that we asked you to pray for a lady named Laura. We first met Laura in 2018. She works in our local copy store. Wesley Lane had been planting seeds in her life long before that. We quickly became well acquainted with Laura since we have to have printing done multiple times a month. (It is much more cost effective to have copies made and printing done rather than try to do it ourselves, because the extreme humidity ruins printers and copy paper quickly) After years of conversations and trips to the copy store, Laura agreed to come to a young adult activity that Wesley Lane invited her to attend. She had a great time at that first activity and has been faithful to every service and activity since then. During several sermons we watched as the Holy Spirit convicted her and she resisted. She would cry and cry. Two weeks ago she went to the altar. I immediately got Teah to talk to her. There was a lot of tears as she confessed her sins to Jesus. There was a lot of rejoicing after church as well.

As I drove the van route, I listened as she literally preached to everyone on the church van. I have always believed that this is a mark of a true believer. Like the woman at the well, she called to them "to come see a man who told me everything I had ever done." Two weeks have passed and she is telling everyone about her clean heart (to use her exact words). Please pray for her as she ministers to her family, and never forget that the search for the sinner is not over until the sinner has been found.

More Salvations!

This same Sunday another lady named Teresa who had visited several times came forward and was led to the Lord by Wesley Lane. I'm telling you church the altar was full of tears, and hearts were full of gratitude and rejoicing. She also came with her husband and other relatives. Please pray for us as we minister to this family and share the Gospel with them as well.

We also ask that you earnestly pray as we deal with these new believers about baptism. As you might well know, people who convert from Catholicism or who come from strong Catholic families, have a hard time with Baptism. That is the point of ultimate rejection of many new believers by their families.

More Opportunities

This last month was also one of the biggest Festivals in the country called Festival de Las Flores. We took our youth group out, tracts in hand, and blitzed the Festival. They did a fantastic job handing out an entire case of Chic Tracts as well as Church Invitations. We are super proud of them. May God bless you as you continue to serve Him
