Furlough News

Furlough/Deputation 2.0 is officially behind us. We are excited about being partnered with so many new churches for souls in the DR.

If you are currently receiving our prayer letter by snail mail, would you please consider getting it in email form? Please email us at lanefamily@hillsidebc.com. Our mail service here is only flying in once a month now due to increased operation costs. This will make it difficult to communicate with those of you who receive our letter via USPS. We will continue to mail hard copies to those of you who wish to receive them. Also, feel free to text or call the number listed below anytime. We use that number with google voice to call over the internet so there aren't any international calling fees.

Field News

Two days after we landed, we were privileged to help host a missions team from Trinity Baptist Church in Flushing, MI. They showed up ready to work. They accomplished a lot, including giving the basketball court a facelift. The youth (especially the guys) are very excited to have new rims and backboards.

April 3rd I preached the main worship service at Iglesia Bautista Agua Viva and we were excited to see a teenage girl, Gabriella, accept Christ after the service! Praise the Lord! It is a huge encouragement to us to see the Lord giving the increase.

Our time back has not been without tragedy. One of our young adult ladies named Rudelina lost her one year old niece in a tragic accident two weeks ago. The victory is that my Uncle was able to lead Rudelina's sister to the Lord in all of this. Praise the Lord! Please pray for this family as they mourn this loss and please pray for all of us to have wisdom as we minister to them.

Thank you!

Your fellowlaborers, Joshua and Teah Lane
