

THE LANE FAMILY

Taking the Name of Jesus to the DOMINICAN REPUBLIC

APRIL 2017

Year in Review!

By the time you read this letter we will have been on deputation for exactly one year. It has been an incredible year. We have seen the Lord do many miracles in our life. We were sent out by our home church last May and recognized by the BBFI as TEAM missionaries a few days later. The same day we were approved, we found out our little boy had Gastroschisis. We were very unsure of how to proceed with deputation at that point. We fully believe that God has called us to the Dominican Republic, so we hung on and plowed ahead. We saw God move mightily in our feeble faith. We were able to share the Gospel with several people and comfort multiple families in the NICU. Since then we have traveled many miles and have been able to share our burden with many church families. Below are some statistics showing what God did in our first year on deputation.

Words of Encouragement

One thing the Lord has been repeatedly working in my heart about over the last year is worship. Several of you have heard me preach about worship. As a missionary who goes into churches, I have to remember that my chief objective is to come before His presence in adoration. In an age when we focus on the experience of the worshipper, where worship is a consumable commodity, where we invite God into our presence instead of stepping into His with praise, we must Scripturally worship Him in spirit and in truth as true believers. **"God is a Spirit: and they that worship him must worship him in spirit and in truth."** John 4:24.
