

THE LANE FAMILY

Taking the Name of Jesus to the DOMINICAN REPUBLIC MARCH 2017

Springing Forward

We hope this letter finds each of you well. We apologize for the delay. We nearly had this letter ready to send when our laptop died. We tried to get it fixed, but ended up needing to purchase a new one. We are praising the Lord that we were able to transfer our files from our old hard drive! God is good!

We are grateful for your investment in our lives and in the lives of the Dominican people. We cannot thank you enough for your prayers. We have been on the East Coast for a month now and plan to be here until the end of April. We are so grateful for **4 NEW FINANCIAL PARTNERS THIS MONTH**. We are excited to have more of God's people joining together to spread the Gospel in the Dominican Republic.

Teah took this photo during her trip to the D.R. in 2014. We want to take the name of Jesus with us to families just like hers.

We also try to spread the Gospel as much as possible while we are on deputation. Handing out tracts to waiters, waitresses, and to hotel staff is one way we get the Gospel out as we travel. Early in March I found myself sitting in a Barber's chair in Dundalk, Md. He asked me what I did for a living. I began explaining to Bob how God had

PLEASE PRAY WITH US:

- For Bro. Tim Long's health and recovery
- One huge unspoken for a sister in Christ!
- Please pray for Bob's salvation.

called me into missions and what that meant. He asked me questions for a half an hour. I answered them trying to guide him to see His need for Christ. I then invited him to come hear us present at a local church the following week. He politely declined. However, as I paid and left he hugged me with teary eyes. The seed was sown in Bob's life. Please water it with your prayers.

Words of Encouragement

As we travel we see a lot of wrecked vehicles and have had some close calls. On our way to Kansas City at the beginning of the month, we came up on the last moments of a roll-over accident happening in the South-bound lanes. Another time we were parked at a red light and the car in the lane next to us got rear-ended. Sometimes we take getting to work, or school, or home safely for granted. We do everything we can to stay safe on the road, but we cannot forget that God is the one protecting us. Jesus is always with us and He goes before us. **"The horse is prepared against the day of battle: but safety is of the LORD."** Proverbs 21:31
