

THE LANE FAMILY

Taking the Name of Jesus to the DOMINICAN REPUBLIC

NOVEMBER 2017

Thank you!

We would like to start this letter by saying a huge thank you to everyone who has sacrificially given and prayed us to this point. We are so grateful that you allow the Lord to use you in this ministry.

Answers to Prayer

During November I had the opportunity to give a Spanish John/Romans to a man from El Salvador. I introduced myself to him in Spanish and handed him the Scriptures. He immediately took it and began to speak to me in very clear English. He told me that this gift that I had given him was the greatest gift anyone could give to somebody, and that he attended a Spanish speaking church in the area. We visited for a few minutes and I left him lovingly holding his new copy of John/Romans.

I also had the opportunity to witness to Bob the Barber again this month. As you know he has been on our prayer list since the spring. This time my visit was much different. He seemed to go through the barber motions. We shared jokes and laughed, and I told him all about the things we had done since we last met. He politely asked me to tell him again what I was planning on doing in the D.R. I told him I was going to tell others about Jesus and what he has done for us. Once again, Bob heard the Gospel. He replied that he had the fear of God in him and that he said his prayers (remember he claims to be Catholic). He then told me that he would never be a religious man like me. This pretty much ended the conversation. I left grateful that I had been able to

PLEASE PRAY WITH US:

- For Bob's Salvation
- For Bro. Tim and Mrs. Jackie Long
- For the rest of our support to come in soon!
- For more opportunities to share the Gospel in Spanish as we travel!!
- For our Cuban Sister
- For the Dominican and Haitian churches!
- Pray for Ezra's salvation at an early age!

give him the Gospel again, but saddened at the same time by the response. Please continue to pray!

Thanksgiving in our Hearts

The account of the ten lepers has been on my heart all day today. In Luke 17:11-19, we see the account of the ten lepers whom Jesus healed. Only one returned to give him thanks. I think one thing we can learn from this is that true thanksgiving comes from a place of worship. The Scriptures say that the one returned glorifying God. The other thing I have taken away from this passage is that a truly thankful heart is one that is humble. The passage says that he fell at Jesus feet. Jesus said to him, "Arise, go thy way: thy faith hath made thee whole." Whenever Jesus does something for us whether it is spiritual or physical let's remember to turn back and humbly give Him thanks. This attitude of our hearts will keep us tender before Him and in a spirit of worship whether it is November or not. We hope all of you had a blessed Thanksgiving!
