### Youth Group

Dear Pastors, and brothers and sisters in Christ,

This has been a great month for our youth group. We have used several object lessons this month to teach our youth. We had an evening where we all wrote our names on a wooden cross to signify that we have all sinned and then during invitation I ask those who were already saved to come paint over there name with red paint signifying they have accepted Christ and their sins are under His blood. There are a couple of names on the cross still not covered in red. Please pray for these young people as they struggle with the truth and that the Holy Spirit will continue to strive with them.

We also had a night where we talked about church unity. We did several games and exercises that illustrated how each member is a part of the body, and Christ is the head of the church. Pray that these young people will understand the importance of being active church members.

### Awana Fun

Our special Awana activity this month was reverse clothes day. We had about 50 children in attendance and it was neat to see how far they went with the theme. One girl even wore her sandals backwards all day. Teah taught about Adam and Eve

and the fall of man, but also the plan God put in place to redeem sinners and give us the opportunity to live with God again. It was a great crazy day!

### Friends and Family

In late September our friends Jon and Mischa Houston came and visited us. They were a great encouragement to us! They helped us with a lot of our daily routine stuff as well as repairing several pieces of equipment that had been broke down around the campground. We are very grateful for everything they do for our Lord.

Most of you know that Ezra is always on the go. The transition from deputation to being in one location has been an interesting one for him. Almost every morning he runs to the door and hollers, "Ready, GO!!" and then goes and looks for his "Pack-Pack!" (direct quote)

The Lord also opened the door for us to have several conversations with our neighbors about church and the Bible. We've spent a few evenings playing games and eating dinner together. Religion comes up frequently as there are a lot of cults and false religions present here, and they have questions about what we believe. Please pray that these seeds will take root and we will see them come to know Christ as Savior and get in church.

Thank you for all you do for The Lord!
