Missionaries to The Dominican Republic

Acts 4:12

June 2018

Please pray with us for:

- For the Church in Jarabacoa
- For us to gain language skills quickly
- Ezra's Salvation at an early age

Safe Arrival

We landed in Santiago, Dominican Republic on June 5th. We are grateful for all those who were praying. Ezra seemed to enjoy his first plane trip. Three days after we landed all of our belongings cleared customs. Praise the Lord!!

Spiders, Snakes, and Stitches

We have seen some incredible critters our first few weeks here. Apparently they all came out for our arrival. We were told that some of these, like the scorpion, are hardly ever seen. This spider greeted us in the bathroom, and his relatives have been our faithful companions. We check our clothes, shoes, and bedding every day. The mosquitos have been the most annoying for Teah.

Our first week here Ezra fell on the concrete. Its not hard to do since all the surfaces are concrete. When he fell he bit his lip hard. We had to make a trip to the E.R. which resulted in three stitches. He is a fighter as most of you know, so he is pretty much healed up now. Please keep praying for Ezra's protection here.

Speaking Opportunities

Since we arrived we have had the opportunity to share our testimonies with the Haitian congregation and the Dominican congregation with the help of Pasteur Wesley. Teah had the opportunity to co-teach the children's class in Spanish one Sunday, and I was also able to give the devotion at our weekly young adulthood twice. We had a big bonfire and roasted hot dogs each time. For the first devotion I spoke out of Hebrews 12:28-29 about God being a consuming fire and used the bonfire as a visual aid. Several of the youth are learning to speak English and translated for me. The day after, Jeffrey, one of our faithful young men brought me the visual below, which is an actual picture of our bonfire. It is awesome to see God's truth impacting lives.

Thank you for all you do for The Lord!
