New Year

This month started off with a great time of fellowship and prayer at the camp. We had a game night with a devotion, which ended with us praying in the New Year. We then ran up into the upper yard and watched the fireworks in town. It was a sweet time of fellowship for Iglesia Bautista Agua Viva.

Answer to Prayer

We had asked awhile back for everyone to pray for Yajaira. This is a young lady Teah had the privilege to lead to the Lord. We had lost touch with her for awhile but this month she has returned to church and has been attending faithfully!! She has shared with Teah that her greatest desire is for a better understanding of who God is and what He wants. Please pray for her as she grows in her walk with Christ. Yajaira is also expecting a baby boy.

Youth and Young People

Right now Teah and I are most actively involved with the children youth ministries of our church. Most of the young people and children who come to church here come because they want to come. They come despite many challenges in their lives and most of them come without their parents. But Praise the Lord they come!! Please pray with us as we teach them the Gospel, instruct them in the Word of God, and help them in their spiritual growth in a structured environment. Please pray with us for wisdom and for the children to have peaceable and attentive hearts and minds to what is being said. Most importantly please pray that they will understand their need for Christ and accept Him!

Men's Conference

This month a couple of the young men and I had the opportunity to attend a Men's Conference that was put on by a well established Baptist church in Santiago, D.R. The conference was an all day event entitled "The Man and His Relationship with God!" There were several workshops and sermons that covered all sorts of topics for men in all stages of their walk with Christ. It was especially encouraging for me to see a couple of the young men of our church, as well as the Christian men of this country having a hunger for the Word of God.

I'm very thankful for these two young men, Jeffrey and Darvin. They sat attentively all day and took very detailed notes of all the things that were talked about in this conference. Jeffrey runs the sound at our church, as well as drives the church van on Sundays. Darvin is one of our teen boys who attends very faithfully and is always willing to help with whatever needs to be done. Please pray for these two young men. We know that when God is working, so is Satan. Please pray with us that they will remain faithful to God, God's people, and to God's House. Thank you for all you do for The Lord!
