September Salutations!

Hello dear brothers and sisters in Christ. Thank you for partnering with us in prayer and support. We are just over 5 months into our furlough/deputation 2.0 and it is in full swing as we report to partners like you and share what God is doing.

## Field News

We are excited and grateful to announce that Rev. Wesley and Melina Lane were able to return to the Dominican Republic. Please pray for them and Iglesia Bautista Agua Viva as they navigate these new circumstances due to COVID-19. They are currently able to worship together on Sunday mornings. However, evening services remain online due to curfew restrictions. Also due to the restrictions they are unable to do the van routes. However, we are encouraged that many of our youth are remaining faithful and coming to worship services.

Also please continue to pray with us as we raise money for the ongoing project in Boca Chica as well as a land purchase for the Haitian congregation in Jarabacoa.

Our transition from TEAM status with the BBFI to Career status is now complete. This was one of the major goals of this furlough and we praise the Lord we have this partnership that assists us with so many aspects of missionary life that many never think about. Health insurance, taxes, financial processing/accountability, and (most important of all) spiritual encouragement and prayer are just some of the ways they help us every day. We have been blessed to be able to report and present in 11 churches in July and August. We praise God for giving us three new ministry partners this last month!

- Cherry Street Baptist Church in Springfield, MO
- Fellowship Baptist Church in Aurora, MO
- Faith Baptist Church in Kilgore, TX

We are grateful to have the opportunity to represent each of you on the mission field as we work together to reach and disciple the souls of the Dominican Republic. The support of these three new churches, and the partnership with more churches just like them is exactly what we need to be able to return to the field quickly.

Your fellow-servants,

Josh and Teah
