

THE LANE FAMILY

Missionaries to The Dominican Republic

Acts 4:12

January 2021

Please continue in prayer with us for:

- Living Water Baptist Church in Jarabacoa
- Missionaries Wes and Melina Lane
- God's provision and guidance as we travel and seek more partners in ministry
- Salvation of our daughter Marilyn at an early age

Dear Ministry Partners,

We hope this letter finds you enjoying the new year, and seeking what God has for you. Every year we set new goals for ourselves. This last month one of Teah's goals has been to improve her guitar skills. She practices almost every day and has learned several new songs in English and Spanish. She is motivated by the thought of being back in Jarabacoa and accompanying at the church. She misses playing her guitar and singing with the children in Sunday School class.

We also thank God for his sustaining power. This last month I contracted Strep throat. We were surprised to also discover that I have developed an allergy to the penicillin family of antibiotics. It was a miserable week, but praise the Lord my reaction was not as bad as it could have been. Sometimes life throws obstacles in our way but it is important to keep moving forward...as soon as we are not contagious that is.

Field News

Please continue to pray for Iglesia Bautista Agua Viva. Praise the Lord, the

Dominican Government has eased restrictions a little for the time being. Please pray that these restrictions continue to lessen. Missionaries Wesley and Melina Lane have been able to accomplish some physical work at the camp property and at the church building. We also have several construction projects that are on hold due to lack of funds. Please pray that God will provide what is needed to complete these projects. As always do keep praying for the spiritual growth of the believers there and for the lost to realize their need for the Savior.

Furlough News

I was excited to be able to start the year off by teaching on personal evangelism at our home church. The focus was on how to win Roman Catholics to the Lord. I was honored to be able to help equip fellow believers to be more effective in their witnessing opportunities.

We have spent the majority of the last month in Florida speaking and presenting in a few new churches. Please pray for the Lord's will regarding these meetings. We especially enjoyed being able to spend several days on the Seminole Indian Reservation and sharing with them what God is doing in the DR. The heat and the mosquitos of the Everglades made us feel a little like we were back at home in Jarabacoa.

Your fellow-servants,

Josh and Teah
