- Living Water Baptist Church in Jarabacoa
- Missionaries Wes and Melina Lane

Warm greetings to all our praying friends and partners in ministry. We hope you have enjoyed a nice Thanksgiving. We are ever thankful for you and your faithfulness!

Field News

We are excited to return to our mission field! As November draws to a close I am making preparations to fly into the DR for two weeks to prepare for our return to the field. I am driving our cargo to Florida to be put on a plane and flown in.

We are extremely grateful to all of you who have sacrificially given so that we could purchase things for our new home including a gently used 5550 watt generator. We are also grateful for the A/C that was donated. There are many things that need to be accomplished in

these two weeks. Please specifically pray for me to have wisdom as I car shop and look for a new place to live.

Currently there are limited Covid restrictions; however, a mandate is being argued in Dominican courts that would require that everyone show proof of two-phase vaccination in order to conduct business in any establishment in the country. Please pray that this is struck down.

The youth group at Iglesia Bautista Aqua Viva continues to thrive and grow. We are seeing several first-time visitors and our teenagers continuing to be faithful. Please continue to pray for this group of young people as they grow in their relationship with Jesus.

Furlough News

Praise The Lord, we have had five churches take us on since our last prayer, which is a huge answer to prayer!

This month I had the privilege of being able to preach via the Internet in a RAN (Restricted Access Nation). We know that God's Word does not return void. Please pray that those who heard will be saved.

I am always amazed at how God uses us if we are willing. In the last two months He has given me the opportunity to share the Gospel with Dominican, Mexican, Philippino, and Indian Nationals right here in our own country. We live in a very unique time in history and in a very unique place where God has brought the Nations to us. Please do not waste the opportunities God gives you to share the good news of Jesus Christ. Remember that He is right there with you as He promised in Matthew 28:20 "...and, lo, I am with always, even unto the end of the world. Amen."

Your fellow-servants,
Josh and Teah
